SUBJECT: EXTENSIVE PROJECT ON ROSEMEAD BOULEVARD AND MAJOR
CROSS STREETS

At the Board of Supervisors' meeting held February 15, 2011, Supervisor Antonovich raised some issues related to the extensive project on Foothill and Rosemead Boulevards, Huntington Drive and major cross streets. During the discussion, he requested you to report back on the following:

- The working requirements of the contractor;
- Why the project is taking so long to complete; and
- Why the contracts were split between road and landscaping and why they were not parallel with each other to avoid the delays that have been created; and
- Recommendations on how to alleviate the congestion and disruption to the neighboring community and businesses.

Enclosed is a copy of the transcript to assist you in preparing your report.
